## District Funds.

From the Secretary to the Chief Commissioner of Mysore, P. W. D., To the Secretary to the Chief Commissioner, Dufter Department, No. 42—158, dated Bangalore, 4th April 1879

With reference to Chief Commissioner's Proceedings No. 3811-14—812, dated 14th ultimo, passing orders on the Irrigation Cess Fund Budget of Bangalore District for the year 1879-80, I have the honor to inform you that under an arrangement already sanctioned by the Chief Commissioner, the Irrigation cess is in future to be applied to the purpose of agricultural repairs throughout the Province on projects to be drawn up and passed in the Public Works Department, and with his sanction, a sum of Rs. 1,50,000 was accordingly entered in the Imperial Public Works Budget for 1879-80, as a contribution from that source. I have therefore to request that the Chief Commissioner's orders may be obtained to place a *lump sum* grant for that amount at the disposal of the Public Works Department, for the current official year.

II. The Chief Commissioner has also sanctioned the cost of the Channel Conservancy Establishment (for the present and until the lands below the channels are assessed) being met from general revenue, as explained in paras 16 and 17 of letter No. 151—247 of 18th February 1879 to Government of India (copy enclosed,) and in accordance with this arrangement, Rs. 22,462 was entered as contribution towards the Public Works Budget of 1879—80. I have to request that this amount may now be placed at the disposal of the Public Works Department.

From the Deputy Accountant General in Mysore, To the Secretary to the Chief Commissioner, General Department, No. 428, dated Bangalore, 28th April 1879.

With reference to the Public Works Secretary's letter (returned herewith) No. 42—153 of the 4th instant, I have the honor to report that the receipts credited to the District Irrigation Fund in the year 1878—79 amounted to Rs. 77,782, against which allotments for sanctioned works amounted to Rs. 35,963, leaving a balance on the year's income of Rs. 41,814. This sum added to the balance brought over from the previous year, *viz.*, Rs. 2,51,517, makes up an available balance of Rs. 2,93,331 on 31st March 1879. The annexed statement exhibits the portion belonging to each District, and it will remain for your office to allot from these balances the sums required to make up the total grant of Rs. 1,5[illegible]o be allotted to the Public Works Department for 1878—79.

2. The net balance available under Local [illegible]eral on 31st March 1879 was Rs. 76,609 as per enclosed statement, from which Rs. 50[illegible]milarly to be made available.

3. The receipts under "District Fund[illegible]ar 1878—79 amounted to Rs. 4,52,040. This was an exceptionally large sum, in conseq[illegible]of the collection of arrears postponed from the preceding year, but I have little doubt that [illegible]ss receipts estimated for the current year at Rs. 2,75,000 will be duly realized.

4. Under repairs of civil buildings the Civil Budget for 1879—80 provides the following *grants exclusive of Rs. 35,000 for the Palace ; the total is Rs. 49,529.

* See enclosure,

5. For channel conservancy I beg that steps may be taken to obtain a supplemental grant to the Civil Budget of Rs. 22,500, in order to meet the charges on this account when transferred from the Public Works Department.
